**If your specific site is currently SQF certified and you need to re-register, please do not add a new facility. You must re-register your existing facility. Only add a new facility when a new site is going to achieve SQF Certification**

## Logging into ReposiTrak®

The first step in re-registering a facility for your next audit is to log into the ReposiTrak SQF Assessment Database. You can start by following the link below to the SQFI Existing User's Page:

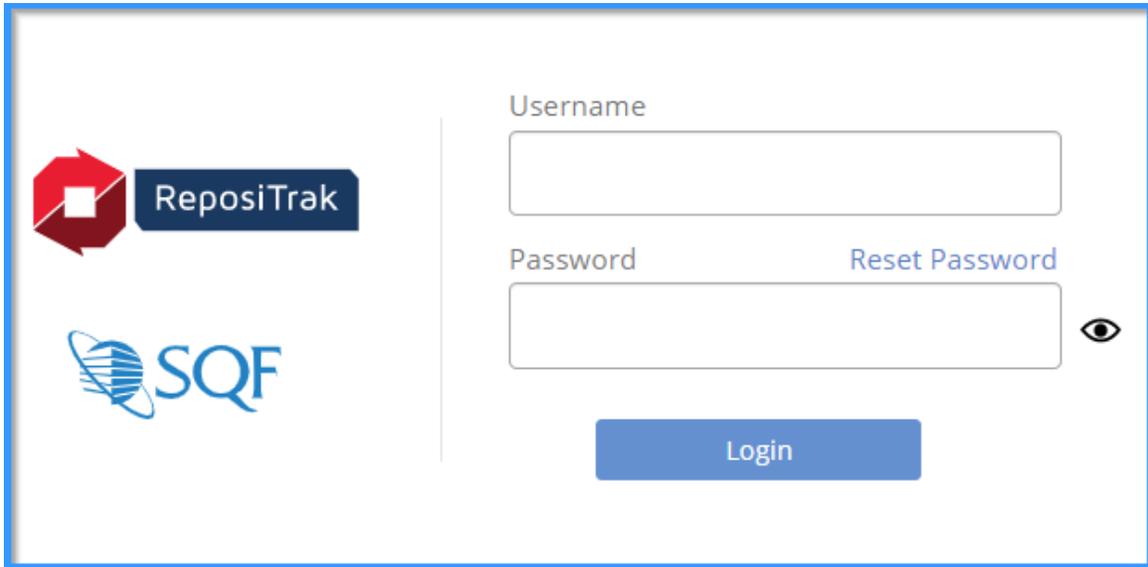

<https://www.sqfi.com/assessment-database/existing-suppliers/>

The screenshot shows the SQF Institute website's "Existing Suppliers" page. The header includes the SQF logo and navigation links: "What is the SQF Program?", "Why Get Certified?", "How To Get Certified?", "Resource Center", and "SQF Certified Site Directory". The main content area has a breadcrumb trail "HOME | SQF ASSESSMENT DATABASE | EXISTING SUPPLIERS" and a "Share This" link. The title "Existing Suppliers" is prominently displayed. Below the title, a paragraph states: "The information below is for users and companies that have registered with the SQF Assessment Database." A sub-section titled "SQF Assessment Database with ReposiTrak®" contains two paragraphs. The first paragraph says: "To login to the SQF Assessment Database powered by ReposiTrak®, [click here](#)." A red arrow points to this link. The second paragraph says: "To obtain your ReposiTrak® credentials, please go to the ReposiTrak® site, [here](#)." A final paragraph provides contact information: "If you need further assistance with the Assessment Database, contact SQFI at [info@sqfi.com](mailto:info@sqfi.com) or 202-220-0635."

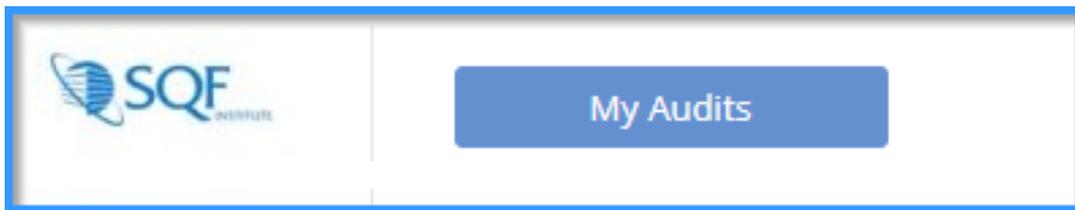

Once there, click the link to log into the ReposiTrak SQF Assessment Database. You will then be presented with the screen below. You will be prompted to enter your username and password.

In the database, **your username will be your email address**. If you do not know your password, click the "**Reset Password**" link located above the password option. Then enter your email address into the field on the following page and click "Submit".

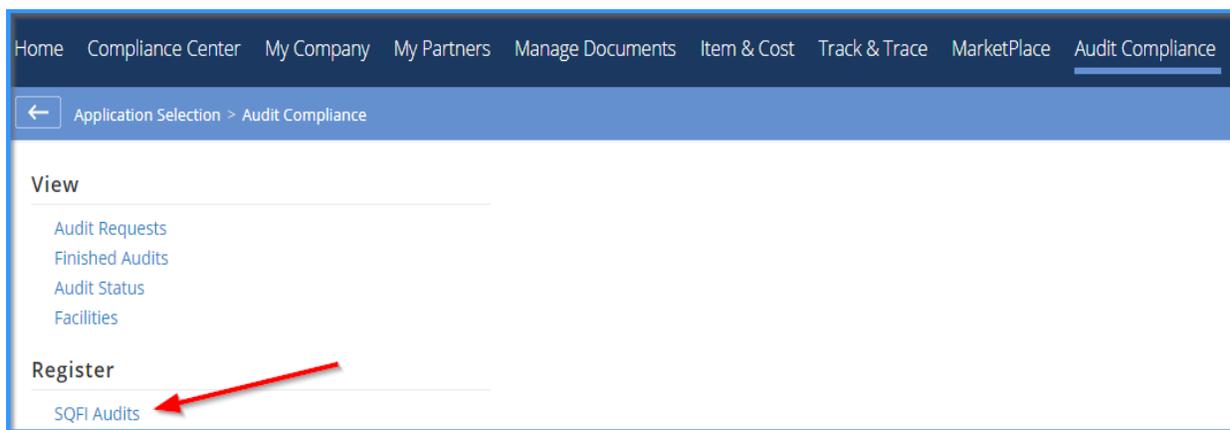

The image shows a login interface for ReposiTrak. On the left, there is a red and white ReposiTrak logo and the SQF logo below it. On the right, there are two input fields: "Username" and "Password". The "Password" field has a "Reset Password" link to its right and an eye icon to its left. Below the input fields is a blue "Login" button.

Next, click on "My Audits" next to the SQF Logo. You will then be brought to the home page of ReposiTrak.

## Re-registering in ReposiTrak ®

Now that you are logged into ReposiTrak, it is time to register for your upcoming audit. The first step will be to click on the 'Audit Compliance' tab. The following options will be available, and you will need to select 'SQFI Audits' under Register.

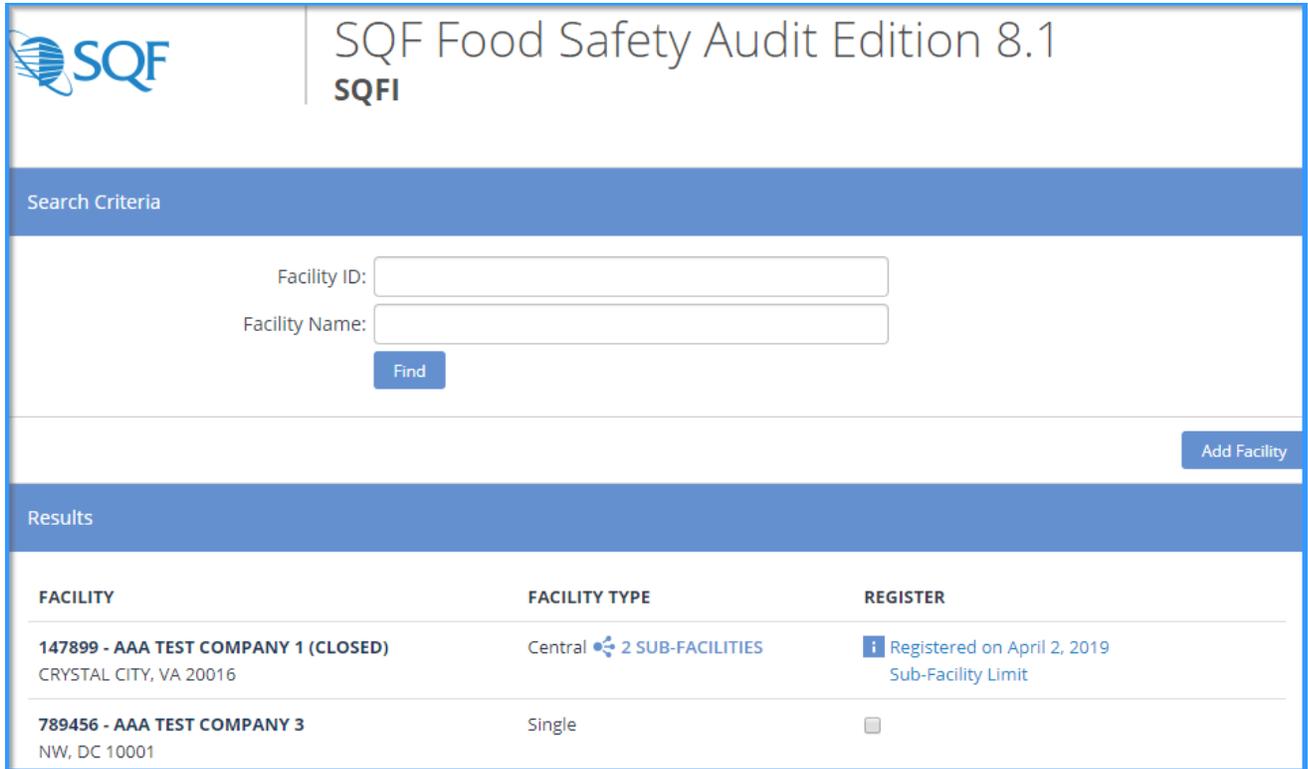

The next page is where you will be able to select the audit standard that you wish to register for.

Please take the time to read the description of each audit standard to make sure the correct standard is chosen. If you are unsure, please select 'click here to learn more about this audit' or send an email to [info@sqfi.com](mailto:info@sqfi.com) for assistance.

Next, you will be brought to your 'Facilities' page, which will list all facilities under your supplier grouping. It is important to understand this page and what is required to register for the upcoming audit.

The screenshot shows the SQF Food Safety Audit Edition 8.1 SQFI interface. It features a search criteria section with input fields for Facility ID and Facility Name, and a Find button. Below this is a Results section with a table listing facilities. The table has three columns: FACILITY, FACILITY TYPE, and REGISTER. The first row shows a facility with ID 147899, name AAA TEST COMPANY 1 (CLOSED), address CRYSTAL CITY, VA 20016, type Central with 2 sub-facilities, and a registered status on April 2, 2019 with a sub-facility limit. The second row shows a facility with ID 789456, name AAA TEST COMPANY 3, address NW, DC 10001, type Single, and an unchecked register checkbox.

FACILITY	FACILITY TYPE	REGISTER
147899 - AAA TEST COMPANY 1 (CLOSED) CRYSTAL CITY, VA 20016	Central 2 SUB-FACILITIES	Registered on April 2, 2019 Sub-Facility Limit
789456 - AAA TEST COMPANY 3 NW, DC 10001	Single	<input type="checkbox"/>

The 'Facility' column will list your Facility ID, Facility Name, and Facility Address.

The 'Facility Type' column will list whether your facility is registered as a Single or Central site.

You cannot register as a Central Site until all twenty (20) sub-facilities have been added. If your site is not a Central site, but is listed as such, then that means a sub-facility has been created in the past. Please send an email to [info@sqfi.com](mailto:info@sqfi.com) for more information.

The 'Register' column will not allow you to register if your previous audit request has not been completed. Please reach out to your Certification Body if this shows to see why the last request has not been phased to finished.

The unchecked box means that your site can be registered at this time.
